

# Group meeting

## February 23<sup>rd</sup>, 2024

# Instruction responsibilities

- Classes:
  - PHY 252:
    - Two lectures
    - Collected homework, but have not graded yet ☹
  - PHY 331:
    - Two lectures
    - Collected and graded homework
- Undergraduate independent study and research:
  - Luis: Looked at QED from Griffiths
  - Preston: Met just prior to this meeting

# Service responsibilities

- Committee:
  - ASU Faculty Activity Report (FAR) Committee:
    - Created 4 letters and submitted them
    - Done for this year 😊
  - GlueX Compton Analysis Review Committee:
    - Created 1<sup>st</sup> round of comments and presented those to the committee 😊
    - Asked the committee for a meeting
  - Graduate College Enrichment Fellowship Committee:
    - Received Dropbox access to student packets
    - Printed out each packet
  - Pre Award Faculty Panel:
    - Attended meeting with candidate for Research Award Associate
    - Panel approved of the candidate, but candidate refused position 😞

# Group responsibilities

- Had meeting with Lee Pettit (ASU contact for grant funds) to figure out future expenditures from grant for the remainder of our fiscal year (September through September)
  - To do: Talk to group about money
- Met with Katelyn Tuesday and Thursday

# Analysis

- Gave presentation at the GlueX Collaboration Meeting today
- Created new fit with phase space  $(KK)_S\pi$  J=0 waves included
